## Rhythmatix®

Love every beat of the powerful pump that is your heart! Give it what it needs to help it keep beating strong.

## The Univera Difference

The average heart beats 70 times per minute, delivering vital nutrients and oxygen throughout your body.

UniBEX™, a proprietary and patented extract derived from bamboo leaf, makes **Rhythmatix your choice for cardiovascular health and healthy blood circulation.**

Rhythmatix also combines heart-healthy resveratrol, a key active ingredient found in red wine, EPA and DHA from omega-3 essential fatty acids and coenzyme Q10.

“

Thanks to Rhythmatix and other Univera products, I am 80 years old and stronger than ever.

”

- Lydia S., Independent Associate
