

univera®

RegeniFREE®

Joint comfort to help you move effortlessly so you can feel phenomenal!*

The Univera Difference

We believe everyone can Live Young by being active, healthy, and strong. RegeniFREE is one of the best tools in your wellness arsenal to make that happen.

Our award-winning, internationally patented compound, Protectin, is shown to dramatically improve joint comfort and flexibility.* So whether you're actively moving or you're recovering, RegeniFREE can improve your experience.

Whether you're 20 or 120, RegeniFREE helps you Live Young, at every age!

"I wasn't recovering well after intense exercise. Last week, I moved heavy bricks and moving boxes for hours, then took RegeniFREE before I went to bed, and to my amazement, I woke up without discomfort and was ready and able to do more work. I repeated the next day and it worked again! RegeniFREE is my new recovery companion."

- Westley, Independent Associate

“RegeniFREE is my new recovery companion.”

univera[®]

RegeniFREE[®]

"I utilize RegeniFREE in my practice daily. So many patients experience the negative effects of joint discomfort and immobility. This product is like WD40 for human joints and patients can feel the benefits quickly."

- Dr. Mike Kaufman, Independent Associate

Joint Comfort Made Easy

For those who cannot tolerate some traditional joint-comfort compounds, Univera created RegeniFREE.

- *No glucosamine (for those with shellfish allergies), chondroitin, MSM, or CMO*
- *Helps maintain joint comfort and flexibility**
- *Powerful antioxidant protection**
- *Contains Protectin™, an award-winning, internationally patented compound shown to dramatically improve joint comfort and flexibility**
- *Contains Curcumin, a powerful antioxidant, derived from Turmeric root*
