## Aloe Select™

A healthy digestive system leads to excellent overall health, and Aloe Select is your premier choice to support that “second brain”!

## The Univera Difference

Scientists agree more and more that the gut is our “second brain” and **influences the health of the entire body.**

**Univera’s world-leading, 100% hand-harvested peak Aloe** is specially grown and selected to deliver optimized bioactives for immune and digestive health. **This means more of the good stuff to help your digestive tract thrive.**

**“I never leave home without my product samplers, as this is how I introduce people to Univera. I recently gave an Aloe Select packet to a young woman sitting next to me on a plane who was experiencing stomach discomfort from something she ate. She drank it immediately and I now have an appointment to follow-up with her and share the Univera experience.”**

- Don L., Bronze Associate

These statements reflect the actual experiences of each individual, independent Univera Associate, are anecdotal only, and may not be typical.

# Aloe Select™

*“Aloe Select is my most used product with patients because it works in so many wonderful ways.”*

– Dr. Katrina McGillivray, Emerald Associate

**Enhanced bioactive power for immune and digestive health.** Compared to the next competitor, Aloe Select delivers more than **THREE TIMES** the polysaccharides that make Aloe powerful:

- Source of antioxidants.
- Used in herbal medicine as a demulcent to help soothe irritation and inflammation of the gastrointestinal tract.
- Provides antioxidants that help protect cells against oxidative damage caused by free radicals.
- **Aloe Select Mango is Health Canada Approved NPN (Natural Product Number): 80061199**

**Univera’s focus on quality means the highest value for you!** You need **SEVEN bottles** of our market-leading competitor to match the efficacy power of **ONE bottle of Aloe Select!** **Univera means more bang for your buck.**
