

univera®

Aloe Select®

A healthy digestive system leads to excellent overall health, and Aloe Select is your premier choice to support that “second brain”!

The Univera Difference

Scientists agree more and more that the gut is our “second brain” and *influences the health of the entire body.*

Univera’s world-leading, 100% hand-harvested peak Aloe is specially grown and selected to deliver optimized bioactives for immune and digestive health*. *This means more of the good stuff to help your digestive tract thrive.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

“I never leave home without my product samplers, as this is how I introduce people to Univera. I recently gave an Aloe Select packet to a young woman sitting next to me on a plane who was experiencing stomach discomfort from something she ate. She drank it immediately and I now have an appointment to follow-up with her and share the Univera experience.”

- Don L., Bronze Associate

univera®

Aloe Select®

“Aloe Select is my most used product with patients because it works in so many wonderful ways.”

– Dr. Katrina McGillivray, Emerald Associate

Compared to the next competitor, Aloe Select delivers more than **THREE TIMES** the polysaccharides that make Aloe powerful for promoting:

- Digestive health*
- Immune and antioxidant defense*
- Nutrient absorption*

Univera’s focus on quality means the highest value for you! You need **SEVEN bottles** of our market-leading competitor to match the efficacy power of **ONE bottle of Aloe Select!** Univera means more bang for your buck.
